DETAILED ACTION

Election/Restrictions

Applicant's election without traverse of claims 1-15 . Claims 16-22 are withdrawn from further consideration, as directed to claims non-elected without traverse, 37CFR1.142.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 contains the limitation "according to American football rules" and " under conventional basketball rules . Where a broad term that may be modified at a later date is used in a claim as a limitation to identify or describe a particular material or product, the claim does not comply with the requirements of 35 U.S.C. 112, second paragraph. See *Ex parte Simpson*, 218 USPQ 1020 (Bd. App. 1982).

Claims 2-15 inherit the deficiencies of claim 1.
